## Read Jeremiah 33

We've seen time and time again, "For every Old Testament picture there is a New Testament principle." God gave us examples in the Old Testament that revealed His character, i.e., in the way He led His people, Israel. Those same attributes follow through in His loving care for us.

Here in Jeremiah chapter 33, we are given an amazing account of God's heart towards His people – compare that to what He has done for us as New Testament Believers! This is a beautiful comparison of our Lord's faithfulness both to His own character as well as towards us, **His Redeemed.**
